ONE DAY AWARENESS TRAINING ON CORRUPTION AND BRIBERY RISK ASSESSMENT (CBRA)

TRAINING RELEVANCE

An organization needs to establish a structured risk-based management tool to prevent, detect, manage, mitigate corruption and bribery (if any). Corruption risk assessments help organizations safeguard their resources, both financial and reputational, by pinpointing where corruption might siphon off assets or tarnish their image. Corruption risk assessments promote transparency and accountability by systematically examining an organization's processes and potential weaknesses.

This training will help you to identify some of corruption & bribery risks that may affect your business operations and perform risk evaluation. This training will also help you to establish Corruption and Bribery Risk Assessment Register for ongoing reviews (monitoring, measuring & reporting)
